Regarding Dana Whitmire @rottingjewels November 10, 2025

From Virginia, using my husband's youtube today to make this post - it is set to go out of view after an undisclosed amount of time.

My general response to hers -

I said what I said. I stand with and for Dana. If that means standing with and for her while she tears me apart publicly (and herself in the process) -

Then my direct response to Dana is -

Go ahead. Do your worst.

You WANT a full out battle with me as part of that?

I could do that, if that's what you want, which it seems that you do.

Since I'm pretty sure I'm already being cast as the

Go ahead. Do your worst.

You WANT a full out battle with me as part of that?

I could do that, if that's what you want, which it seems that you do.

Since I'm pretty sure I'm already being cast as the monstrous demon/devil in this fantasy battle tableaux -
